BORING BARNACLE SAYS:
 I once paid £8,000 for complete facial reconstructive surgery. I was sick of looking like a plain old barnacle with silvery skin, beady black eyes and a shiny red hat. Needless to say I'm ecstatic with the results

AS BRAD PITT

PLASTIC SURGEON ANGELICA KAVOUNI SAYS:
 'If you wanted to change your whole face like this, I would recommend a psychological assessment first. You can never make someone look exactly like that. You would have to change the skeleton.'

- CHIN AUGMENTATION (IMPLANT) £1,800
- CHEEK AUGMENTATION £2,000
- RHINOPLASTY (NOSE ALTERATION) £2,200
- PINNAPLASTY (EAR PINNING) £1,200
- MEDIUM-DEPTH CHEMICAL SKIN PEEL £800
- TOTAL: £14,100

AS LES DENNIS

ANGELICA SAYS:
 'You're too good looking to be made to look like Les Dennis. Hmm... although really, you just need to add these here and here... actually, no - this is much easier than Brad Pitt! To form wrinkles, the skin is sutured under the surface.'

- TO AGE THE FACE:
- REVERSE BROW LIFT £2,200
- FAT TRANSFER TO NASOLABIAL FOLD (NOSE-TO-MOUTH LINES) £1,800
- LIP REDUCTION (BOTH LIPS) £900
- RHINOPLASTY £2,200
- PINNAPLASTY £1,200
- TOTAL: £8,300

AS HOLLY WILLOUGHBY

ANGELICA SAYS:
 'With the long hair, you look very much like her. Sex-change surgery is quite difficult, though, because you have to reduce everything.'

- RHINOPLASTY £2,200
- FRONTAL BOSSING (SHAVING OF FOREHEAD BONE) £4,000
- ADAM'S-APPLE TRIMMING £3,500
- CHEEK AUGMENTATION (IMPLANTS) £2,000
- REVERSE BROW LIFT (LOWERS HAIR LINE) £2,200
- TOTAL: £15,550

AS ELEPHANT MAN

ANGELICA SAYS:
 'That took no time at all! In fact, that was by far the easiest one to do. Bad surgery is very easy... Saline implants are placed under the skin, then the skin stretches and grows to the size of the implants, leaving the shape of the head disfigured. Each saline bag has a little port that you can top up every week with more saline.'

'Don't forget, with all these procedures there is generally a further £3,500 on top of each bill for hospital and anaesthetist charges - the prices given here are surgeon charges only.'

THREE SALINE IMPLANTS REQUIRED, AT THE COST OF... £3,000
